Minister Lisa Raitt attends the Safino-Aventis BioTalent Challenge National Awards Ceremony

Minister Lisa Raitt attends the Safino-Aventis BioTalent Challenge National Awards Ceremony

The Honourable Lisa Raitt, Canada's Minister of Labour, speaks with Ms. Rui Song at the 2010 National Sanofi-Aventis BioTalent Challenge, held at the National Research Council in Ottawa. Ms. Song, a 14-year-old student from the Walter Murray Collegiate Institute in Saskatoon, won first place at this year's competition for her work in molecular genetics.

Minister Lisa Raitt attends the Safino-Aventis BioTalent Challenge National Awards Ceremony

The Honourable Lisa Raitt, Canada's Minister of Labour, spoke to students and attendees at this year's Safino-Aventis BioTalent Challenge National Awards Ceremony, held at the National Research Council in Ottawa. Minister Raitt spoke about the importance of supporting the BioTalent

Challenge because it encourages youth to pursue careers in science and biotechnology.
